

# THE 18TH CAPACITY BUILDING SUMMIT ON SOCIAL HEALTH INSURANCE

**AUG. 30 - SEP. 9, 2021**  
**ONLINE, WEBINAR**

## BACKGROUND

In an effort to contribute to the endeavors of the international community towards universal health coverage (UHC), the Capacity Building Summit on Social Health Insurance has been conducted by National Health Insurance Service (NHIS), Republic of Korea, for the past 17 years. We are very pleased to announce that the 18<sup>th</sup> Capacity Building Summit on SHI will be held online from August 30 to September 9. This capacity building course will be given in collaboration with the Ministry of Health and Welfare (MOHW) of the Republic of Korea, the WHO/Western Pacific Regional Office (WPRO), the World Bank (WB), and the International Social Security Association (ISSA).

The theme of this course is ***the pursuit of UHC during the pandemic era***. This course will provide participants with various lectures regarding recent global healthcare issues, the UHC experience of K-health insurance, and give an opportunity to have in-depth discussion.

## PROGRAM

### Pre-Requisite Course (online learning)

From August 12 to August 27, seven lectures.

## WEBINAR

Nine lectures and two presentation and discussion sessions

**From August 30 to September 2**

For participants in South and South Asia region (50 people).

**From September 6 to September 9**

For participants in Latin America and the Caribbean region(50 people).

THE 18TH **CAPACITY BUILDING SUMMIT ON
